

November School Board Report
Submitted By: Sheila Odom, Principal
December 11, 2017

Kindergarten students became Pilgrims and Native Americans, as they learned about the first Thanksgiving and re-enacted the celebration of thankfulness with their own Thanksgiving Feast in the Kindergarten Hallway on Wednesday, November 22nd. I would like to recognize the parent volunteers and MCES Staff that helped make this lunch a success.

On Tuesday, December 5th, the principals had their annual meeting with the ROE. The discussion was a small group setting on issues that we were allowed to choose.

Mount Carmel Elementary School students will enjoy a snow ball fight for their PBIS Universal Celebration on December 13th and will have their Christmas parties on Friday, December 15th. Teachers will be having an ugly sweater contest. The students enjoy watching their teachers dance around the gym wearing their ugly Christmas sweaters.
