

School Board Report
Mount Carmel High School
December 11, 2017

- The **custodians** continue to try to eliminate items on the to-do list. They plan to resurface the gym floor over Christmas break.
- The MCHS **Christmas Concert** was well attended on December 10th. The Marching Band started the Christmas Parade on December 2nd.
- **Vocational** programs have received some monies from last fiscal year to purchase big-ticket items that should provide students with improved experiences.
- **Math, Special Education, & Science** – Mr. Newkirk has met with these departments individually to analyze their curricula, course offerings, and make sure the plan for the upcoming year(s) best reflects the needs of our students.
- **School Improvement** – We continue to meet with our BLLC and the American Institute for Research to develop our SMART Goals. After Wednesday, there should be more concrete details to report.
- Mr. Newkirk was able to present to **Rotary**, at their November meeting, and highlight/publicize some of the exciting things going on and new things that are in the works.
- The **Area Economic Alliance** has partnered with MCHS and WVC to try to modify our current manufacturing tract(s) so that we have well-trained students that can seek jobs locally, soon after graduation.
