School Board Report

Summer School

Summer School has been progressing very well under the direction of Tanya Grounds who has been teaching the MCJHS Summer School utilizing the Grad Point computer program. Many of the students have already completed their summer school requirement with just a few to go. The last official day is July 26th.

Scheduling

MCJHS has spent significant time in scheduling students in classes for next year. This is a long process where students are hand scheduled into their classes to maximize student success. We have it nearly finalized with a couple of conflicts still to resolve.

Registration

Registration for 7th and 8th grade students is scheduled for August 7th from 1-6 p.m. at MCJHS. Once again, most of will be being completed online with improvements every year.

Meet & Greet

MCJHS will be hosting our annual Meet & Greet event on the evening of August 13th from 5:30 – 7:00 P.M. The students will be able to pick-up their schedule, drop off supplies, practice their locker combination, visit the classrooms, and talk with their teachers.

Back to School Administrator’s Academy

Several administrators from District # 348 will attend a Back to School Administrators Academy on July 24th at Norris City. This academy plans to look at the most common legal issues school administrators’ face on a day-to-day basis for student management.
