School Board Report

June 18, 2018

Annual Awards Ceremony

MCJHS held their first annual Awards Ceremony on Thursday, May 31st in the high school gym. This was a great way to finish out this first school year at MCJHS by recognizing the outstanding accomplishments of our students.

Extra & Co-curricular

The track team finished the year by sending two girls and two boys to the State Track Meet in Carterville on Saturday, May 12th. Congratulations go to Zeke Hadra, who placed 8th in the 200 Meter Dash, Luke Laws placed 7th in the Shot Put, Flynn Guard placed 6th in the Hurdles, and Taylor Singer placed 2nd in the High Jump. Great job to each of the individuals.

End of the School Year

The end of the school year events went smoothly. The SLC and Band/Choir took their students to Holiday World on May 29th and the 8th grade students also went to Holiday World on May 30th. Despite a little rain, both trips were very enjoyable. We finished out the school year with a pool party, which was also impacted by rain.

Summer School

Summer School is under way. Tanya Grounds has been teaching the MCJHS Summer School utilizing the Grad Point computer program. The 29 students enrolled receive individualized instruction based upon the courses they were required to take, their pre-test assessment, and progress within the curriculum. This is a great way to give these students assistance to prepare them for another school year.

State Reporting

MCJHS, as well as schools across the whole state, have been working on state reports. Considerable time has been spent on these reports. MCJHS would like to express great gratitude to Jeanie Kennard for her tireless help in this endeavor.

Scheduling

MCJHS has spent significant time in scheduling students in classes for next year. This is a long process where students are hand scheduled into their classes to maximize student success.
