"We are on a mission every day to provide challenging learning opportunities so students can reach their fullest potential as independent thinkers."

School Board Report October 15, 2018

Teacher Institute Day

Staff members participated in a Teacher Institute Day on Friday, October 12th. During the day, they participated in vertical articulation at different levels throughout the district.

End of 1st Quarter & Parent/Teacher Conferences

The end of the 1st quarter was October 11th. Parent/Teacher conference letters are scheduled to be sent home on Wednesday, October 17th. Conferences are scheduled for Tuesday, October 23rd from 5:00 – 7:30 p.m. and on October 25th from 5:00 – 7:30 p.m. This is our second year of providing two nighttime conferences. We will offer traditional parent/teacher conferences on Tuesday and student led conferences on Thursday. Parents can also request an additional conference if these dates do not work.

American Education Week

November 12th – 16th is American Education Week. During this week, we will be honoring the hard working people that work with children who are helping to shape future generations. On Wednesday, November 14th at 8:00 a.m., our SLC students will be honoring our board members and retired educators by serving them breakfast.

MCJHS Science Fair – Our 8th grade science students are presenting this year's science fair projects on November 29th from 5:30 – 7:00 pm. If you are available, stop by to see the student's hard work.

8th Grade Math

MCJHS has been unable to find a replacement for our 8th grade Math Position. We currently have a long-term substitute in this position that has been doing very well, but is not certified to teach. We have two individuals that have expressed interest in this position, but are still working towards their certification. The ROE suggests that we keep you updated each month in the board report with any further information.

Basketball

The 7th & 8th grade girls' basketball teams have been preparing for the season and will start with a game at Robinson on October 15th. The boys' basketball team starts their season with the Jasper Shootout on Friday, October 19th. The girl's season will last thru the end of January and the boy's season will last until the middle of February. For a complete listing of games, visit the MCJHS website.

Upcoming Dates:

10/15	School Board Meeting
10/23-31	Red Ribbon Week
10/23	School Bus Evacuation Drills
10/23	Parent/Teacher Conferences
